Cruise of ports

Inside Passage

Located right along the coast of British Columbia, the Inside Passage is the longest sheltered inland waterway in the world. Watch the water for orcas and humpback whales as you cruise the passage to the historic Alaskan ports.

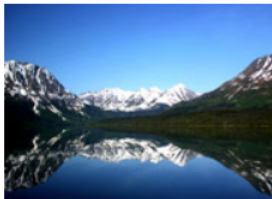

Ketchikan, Alaska

A popular destination along Alaska's famed Inside Passage, Ketchikan is teeming with Native American culture. Home of the largest concentration of Tlingit, Haida and Tsimshian people in the state, this extraordinarily beautiful city on Revillagigedo Island.

Vancouver, British Columbia

Vancouver is a dream-like, mountain-ringed city blessed with a huge natural harbor that remains ice-free year-round. Wide open spaces, beautiful beaches, tall skyscrapers and an enchanting rainforest all mingle together to create a most relaxed and stress-

Juneau, Ak

Juneau, Alaska is considered by many to be the most beautiful capital city in the nation. Checking in at just a little over 3,100-square-miles, Juneau qualifies as the biggest American city - geographically, that is. The terrain is hilly and winding, and narrow streets present a small-town quaintness existing side-by-side with cosmopolitan sophistication. You'll find great shopping, fine restaurants and superb museums.

Hubbard Glacier (Cruising)

The longest river of ice in North America, the Hubbard Glacier is also one of the most active glaciers of its kind in Alaska. And since our ships are designed to provide our guests with the best viewing possible, you'll be able to see this massive natural wonder, with its 1,350 square miles of blue ice, from just about anywhere on the ship.

Icy Strait Point, Alaska

Icy Strait Point is located near the city of Hoonah, the largest native Tlingit Indian settlement in Alaska, and very near Glacier Bay National Park. Home to a historic cannery, the port's connection to the sea is strong.
